

LOCKDOWN INFO

UPDATE 16.2.

DEAR MEMBERS!

Our chancellor Sebastian Kurz let us know yesterday that the **gyms need to stay closed**. A loosening of measures is probably going to happen around easter. We are expecting information about the opening of gyms on the 1st of March.

We are very saddened about the whole situation and can't wait to reopen our gyms. We need to stick together during these circumstances and it's our only way to come out stronger and hope for better times after this crisis.

THANK YOU!

As you probably noticed, we keep charging the monthly fees. We are indeed asking for your help and not to require your fees back. Please help us! It's the only option to survive these hard times, to keep our employees and to provide an unforgettable gym experience as well as quality.

#SupportYourGym

Surely that can't be a disadvantage for you. You will get the month (automatically) free of charge in the end of your membership.

YOU ARE THE BEST!

Thank you for your support and kind words. We are immensely flattered and proud to have such nice members. You give us the strength to continue our work no matter what happens.

If you have any further questions or you want to freeze your membership due to financial reasons, please write a mail to your gym:

wien1020@getfitclub.at or **wien1070@getfitclub.at**

Let us continue to stay positive! Fitness is our passion and we are going to get through this!

Stay strong and stay healthy!

Your GETFIT Team
